

DISCUSSION QUESTIONS FOR THE NUDGE WEEK 2 (10-26-22)

The Nudge is a small video we put out mid-week that go along with our Cultivate series. Watch the video and share the link with 1 or 2 other people, then get together sometime the following week to discuss the related questions. It's a great way to connect with a couple coworkers or friends and go a bit deeper.

It could be you take a walk with a coworker over lunch, or grab coffee with a friend, or even meet up as a group for a meal. It could be as simple as a phone call on your commute home. The key is to reach out and get someone (or 2 or 3) to go a bit deeper with.

DISCUSSION QUESTIONS:

1. Have you ever been in the position of the Pharisees in the video? Why do we sometimes feel the need to judge and look down on others?
2. Jesus said, "It is not the healthy who need a doctor, but the sick". Discuss the implications of such a statement, and what it reflects about the heart of God for us.
3. Continuing with the medical metaphors, how would you describe your soul's current condition? Further, what do you think God is "prescribing" for your life right now?
